***AFRICAN AMERICAN
SCOUTING CAMPOREE 2010***

Dear Community Leaders and Partners:

The African-American Scouting Camporee (AASC) is a non-sponsored Boy Scouts of America event. The Boy Scout troop of Wheeler Avenue Baptist Church is the sponsoring Troop Committee for the 2010 Camporee celebrating Scouting's 100th anniversary and 75 years of African in scouting in the State of Texas. As such, we are seeking community donations to offset the cost of the event to the scout families attending the Camporee.

While we are celebrating 100 years of scouting in the United States, we want to also acknowledge and remember those early African American leaders paving the way in Scouting. Scouting for African Americans has only been recognized in Houston and other areas of Texas for the last 75 years.

Troops, Scouts and Scouters throughout our state are invited to celebrate this historical occasion as we remember and pay tribute to those early African American leaders paving the way in Scouting for African Americans.

The purpose of the African American Scouting Campout is to provide registered African American Boy Scouts an educational forum to learn life skills from a social and educational awareness perspective while encouraging, motivating and inspiring youth participation, retention and advancement in Scouting.

We hope you share in our vision with your kind monetary or in-kind donations to maintain a low cost for Scouts attending the event. Our budget for this event is \$10,000. Sponsorship levels are included in this letter.

For questions, please contact Ron Thomas at (713) 205-2425. We thank you in advance for your support and hope you will join us in supporting this event in years to come.

Please make all checks payable to Troop 242 Boy Scouts. All donations must be mailed to:
